Freya's Gold - Lager

**Clean, crisp and refreshing!**  
**Delicate lemon herbal hop flavors compliment the smooth body of our most quaffable beer.**  
**Freya is the Norse goddess of war, gold and beauty. Just like its namesake, Freya's lager has a wealth of suitors.**

Asgard - IPA

**Asgard IPA is a hop explosion in a glass. Brewed with lightly kilned malts for a clean body that supports prodigious hop additions and in-tank dry hopping. Grapefruit, orange and apricot flavors dominate the aroma of this truly northwest IPA. Raise your pint, toast your enemies and prepare yourself for an elfactory assault.**

Odin's Gift - Amber

**Inspired by the northern brewing tradition of flavoring beer with juniper boughs, we created Odin's Gift. A deep, ruby-colored ale brewed with a touch of juniper berries. Rich caramel and roasted malt flavors compliment earthy hop aromas to produce a beer that easily pairs with a variety of food.**
